Help Sheet to facilitate Electronic Entries for Swim Wales North Competitions

Team Manager lite is a free download from Hy-Tek at www.hy-tek.com that enables users to enter meets created by Hy-Tek's Meet Manager and also to evaluate the Team Manager programme.

To load TM Lite.

After downloading from www.hy-tek.com,
Select **Swim_TEAM_MANAGER_Lite.exe** and double click, **set up** will automatically use install wizard.
Follow on screen prompts to load onto hard drive.

Using TM Lite

When using TM Lite the first time.

Click **File/Open**

Enter a database file name (in capital letters), usually your team name and click **Open**.

System Preferences Window then opens,

In **Team/Swimmer Defaults**

Set Default Team Registration to **UK**

Set Default Team Type to **AGE**

In **Meet Age-Up Date** Select **Meet End Date**

In **System Age-Up Date** Select **Always Age Up To Today**

Click **OK** to close Window

Click **Teams/Add**

Enter Team Code

Enter Team Name

Enter Short Name

Click **OK** and then click **Cancel** to close **Team Maintenance** Window

Close **Teams** Window

Click **Athletes/Add**

In **Athlete Information**

Enter Athlete's Last Name, First Name, Middle (If Applicable), Birthdate, select Male or Female.

In **Member of** set **Team 1** to your team.

Click **Build ID**.

Click **OK**.

Repeat for all of your swimmers entering any Meets, including any relay only swimmers and all reserve relay swimmers. Then click **Cancel** to close **Athlete Information** Window

Close **Athletes** Window.

Click **File/Import/Meet Events**

This will open import events window.

Browse to find the Hy-Tek meet event files:-

These will have the format

'Meet Events-----'.zip'

Select the file of the first meet you wish to enter, and click **open**.

(You may get an information box suggesting an update to TM lite is required, this can be ignored. Click **OK**.)

TM should unzip file to a temp folder on screen, select the file click **open** and follow screen prompts to load meet.

Go back to **File/Import/Meet Events** and repeat for this procedure for the files of any other meets you wish to enter.

(You will probably need to browse again to find the downloaded files.)

Click **Meets**

The meets you have previously chosen should be displayed. Select whichever one you wish to enter.

Click **Entries** and select **Entries by Event** or **Entries by Name** to make you entries.

You may get an information box telling you entry times must be entered in custom time field. Click **OK**.

Individual entries may be made by either **Event** or **Name** but the more convenient is by **Name**.

Select **Entries by Name**. In Window showing swimmers scroll down, if necessary, to required swimmer and select.

When a swimmers name is highlighted all eligible events for that swimmer are shown. Click the box in the **Enter** column to select an event to enter, click the corresponding box in the **Custom Time** column and enter the time.

Complete your entries for all swimmers.

Relays can only be added by selecting **Entriesby Event**.

At top of Window in **Swim for Team** select your team. In Window showing events scroll down, if necessary, to required event and select it.

Click **New Relay** in lower part of Window, this enters the event. Eligible swimmers should be shown in LH lower window. Click on your selected swimmers for this event. Ensure swimmers are entered in swimming order.

Please note that alterations to relay swimmers are only permitted as shown in meet conditions.

Complete all your entries then close **Entries** Window.

Repeat for any other Meets you wish to enter, and then close **Meets** Window.

Click **Reports/Performance/Meet Entries**.

In **Team** select your team, in **Event Filters** select which type of report you wish to create, and then click **Create Report**. Check your entries are complete and correct.

You may find it useful to print a copy of this report.

If entries are made in error.

Click **Meets**, select Meet where error occurs, click **Entries** and select **Entry Browser**.

Select incorrect entry from list, click **Delete**. TM Lite will request confirmation of entry deletion.

To create the electronic entry Click **File/Export/Meet Entries**. In **Export Entries** box select which Meet to export.

Make sure the box **Export Relays** is ticked for your relay entries to be included. Click **OK**. This creates a zipped file that is exported to directory **TMIIIData**, a folder on the C:\ drive. The filename of your first Meet entry will be '**your club code**-**Entries001.ZIP**', second entry will be '**your club code**-**Entries002.ZIP**' and so on for each meet. You should keep a record of which numbered file relates to which Meet in case you need to make changes to your entries. These entry files should be attached to the e-mail that you send to the meet secretary.

To see an overview go to **Help** and click **TM Lite**.
